CLEAN UP AUSTRALIA DAY

On Tuesday 7th March the students, staff and some parents picked up rubbish for 'Clean Up Australia Day'. All classes were allocated different areas around the town to pick up rubbish. A huge thank you to all who helped make the areas so tidy.

Harmony Day (we encourage all students to wear something orange on the day)

SRC students are busily planning our Harmony Day activities which is on Tuesday 21st March. We will start the day with SRC being presented with their badges and then the school (including the preschool students) will be divided into groups who will rotate around the activities. If anyone is able to come and help with the groups it would be appreciated. If anyone has easy recipes from different countries that we could make with the students, could you let me know. We are asking the students to bring a plate of food (ideally from a different culture) to share for a combined lunch. Parents are invited to join us for lunch.

Student Support Services

Children and young people who need extra help are often referred to the Student Support Services team by their teacher.

Student Support Services include social workers, behaviour support coaches, psychologists, special educators, speech pathologists and provide support to children and teachers in state schools and preschools.

If your child's teacher feels that your child or their class as a whole is having difficulties they may engage with the Student Support Services team regarding these difficulties. Your teacher will discuss this with you and obtain your consent before making a formal request for support is made for your child.

For more information, speak with your preschool or school or visit www.decd.sa.gov.au

Disability Policy and Programs Parent Forum

Parents or carers of children or young people with a disability are invited to the next in a series of ongoing forums hosted by the Department for Education and Child Development.

The forum is an opportunity to further build the relationships between families and the Department for Education and Child Development by listening to your voices and engaging with you about the services and support available for children and students with a disability.

Orroroo Markets

I am writing to invite students at your school to be involved in our Orroroo Markets. Our Market environment could provide a great opportunity for your students to promote and showcase their many talents whilst gaining experience in enterprise.

Our market would be of most benefit to a single class group or individual students rather than a whole of school group and could be an opportunity for a class to raise funds for their School Camp.

In particular, we would encourage the sale of fresh produce, art and craft as a Stall Holder or Busking to promote a particular talent. The Stall Holder fee is reduced to \$10 for Students and for Buskers it is free. Stall Holder insurance is not required as this is covered under our Business Insurance.

I have attached the schedule of dates for the 2017 Orroroo Markets and Stall Holder Information. If you feel that your students would like to participate in any of our markets please do not hesitate to contact me for further information or to register interest. It would be appreciated if our Market could also be promoted in your School Newsletter. I can be contacted on Tuesday's or Wednesday's direct by Telephone 0499 599 076 or by email at af.blackjackgetaway@bigpond.com. Regards Jodie Piggott

CROWS PLAYERS VISIT

Andy Otten, Matt Crouch and Reilly O'Brien from the AFL Crows team visited us on Tuesday, 28th February. The students had a fantastic time learning some football skills with them. They gave out some hats, water bottles and stickers. The players answered questions and autographed items that the students had brought in.

Wellbeing and Lifestyle Service

This service aims to support people to improve their health and wellbeing by preventing and better managing chronic health conditions. Support Workers work individually with clients enabling them to increase their capacity to adopt healthy lifestyle behaviours, improve self-management strategies, and connect with appropriate services.

The Support Worker and client work collaboratively to:

- better manage any chronic/ complex conditions
- identify poor health behaviours such as smoking, risky alcohol use, poor nutrition, physical inactivity and stress.
- link the client to appropriate services to improve their quality of life whilst recovering from any form of mental health issue
- learn how lifestyle behaviours can impact on health and contribute to chronic disease
- support and enhance self-management strategies
- mentoring and linking clients with a range of support and community services.
- increase knowledge of available sustainable treatment options
- identify barriers and develop strategies and personal goals to improve the management of issues identified

Care coordination

The care coordinator role aims to support a client's journey through the health system. Clients are directed to and linked in with the most appropriate services.

The care coordinator and client work collaboratively to:

- To improve their quality of life whilst recovering from any form of physical or mental health issue.
- Support and enhance self-management strategies by providing mentoring
- Increase knowledge of available treatment/service options.
- Assist the client to navigate referral processes, forms and documentation (e.g. My Aged Care.)
- Develop links with services and community support/programs, such as:
 - drug and alcohol support
 - mental health support
 - grief and loss support
 - chronic condition management services
 - aged care services
 - sexual health and relationships services
 - housing and employment services
 - personal finance management support

Ensure clients are directed to the most appropriate service as needed

Other service details

- Appointments are free of charge.
- Anyone over 18 years of age can access this service.
- You are self-refer.
