From the Principal.....

Wow, we have reached the end of another busy Term! It has been fantastic to see the hard work, collaboration and effort put in by staff, students and our community really contributing to our success this term. We have been able to overcome, and thrive, despite many distractions, barriers, and challenges. Thank you all!

We welcome Zagan Wilson to our school and we hope he enjoys his time here.

On a sad note, this Friday we bid farewell, and thank you, to Shaun Hughes our Upper Primary teacher who has made the tough decision to return to Adelaide. A note went home this week explaining the change. At this stage we don't have an ongoing teacher to fill this position and we will be joined by Paul Arthur (a permanent relief teacher) who will fill the role until a teacher can be secured. We appreciate the disruption this may cause, and we will do our utmost to minimise this. If you have any concerns, please speak with me.

Attached to this newsletter is a notice regarding the National Consistent Collection of Data. This annual collection occurs nationally. Please have a read of the notice and contact me if you have any concerns or queries.

This week has given us the opportunity to engage in a couple of amazing opportunities. On Tuesday the Adelaide Youth Orchestra Wind Quintet visited and dazzled us all with their musical talents. They engaged the kids and shared their love and enthusiasm for music with our students, who responded in kind. It was a fantastic opportunity and allowed our kids to see where a musical pathway can lead them. We thank the organisers and the musicians for including us in their tour of the area and performing for us!

This Friday will be our NAIDOC celebrations. We are fortunate to have the Arabana Rangers coming to present us with a gift as part of our celebrations. Kids will engage in a variety of activities across the day culminating in the opportunity to sample some traditional cooking of the First Nations people. I would like to thank Deanne Solomon (Our ACEO) for organising the activities and celebrations.

Friday is also our last day of the term. The SRC have arranged to do a Pyjama & Casual Clothes day to fundraise for a cancer charity (to be decided).

Finally, students will be dismissed early, as always on the last day of term, at 2:20pm.

Kind Regards

Ben Harris-Jones

Friday 8th July (last day of Term 2)

Casual Clothes and Pyjamas Day /Gold Coin Donation

Money raised will be donated to a charity (to be determined in Term 3)

Welcome Zagan

JP Design and Technology

This year we are focusing on Digital Technologies. We have been learning about what digital devices are and how we use them. In particular we looked at what input devices (microphone, keyboard) and output devices (speaker, printer) are and how/why we use them. The students had a task to design and build a robot that had 2 input and 2 output devices. They then presented them to the class. Mrs Arthur

Well done to all our students. The amount raised for 'Jump Rope for Heart' was \$3,454.00.
